OF ENDOCRINOLOGY
AND DIABETOLOGY
IN BOSNIA AND HERZEGOVINA

3rd CONGRESS OF ENDOCRINOLOGY AND DIABETOLOGY IN BOSNIA AND HERZEGOVINA with international participation

30. September - 3. October 2021.
Neum, Bosnia and Herzegovina

Welcome

Dear colleagues,

It is a great pleasure to invite you on behalf of the Society of Endocrinologists and Diabetologists in Bosnia and Herzegovina, at its 3-rd Congress with international participation.

THE THIRD CONGRESS OF ENDOCRINOLOGISTS AND DIABETOLOGISTS IN BOSNIA AND HERZEGOVINA with international participation will be held from September 30 to October 3, 2021 at the Grand Hotel in Neum (BH).

All prescribed precautionary and safety measures against the spread of the COVID-19 coronavirus epidemic will be in place during the Congress. The format of the Congress is hybrid - the possibility of VIRTUAL participation is provided for those who cannot be present in person and an adequate platform for that purpose, will be used. The participants of the Congress will be obliged to respect and implement the recommendations issued by the competent Covid-19 Crisis Headquarters!

The Scientific Committee, in cooperation with top international and local experts, has designed a concise and comprehensive scientific program, which is covering 9 focus areas. This year's program includes the following: several plenary lectures; symposium on the most important topics in endocrinology; poster presentation, symposium of young endocrinologists, and workshop with patients (online).

This congress will provide to the participants insight into the most updated and important achievements and knowledge in the field of endocrinology in B&H and the world.

By registering for the congress, be an integral part of this great event!

The Congress will be scored, according to the rules on scoring professional events.

The abstracts submission deadline has been extended until September 15.
You can send them to: **abstracts@endo.ba**

We would be very pleased, if will take part in the Congress, in addition to endocrinologists and diabetologists, all other colleagues, such are family medicine physicians, internists, young doctors who have not been focused yet on a certain specialization, then nephrologists, cardiologists, surgeons, ophthalmologists, gynecologists, epidemiologists, radiologists, neurologists, psychiatrists, psychologists, dieticians as well nurses working with endocrinological and diabetic patients, who in their everyday work are dealing with the diabetic and endocrine patients (online).

Details on the Congress will be available on the congress website **www.endokongres21.ba**, on the website of the Society of Endocrinologists and Diabetologists in BiH **www.endo.ba**, as well as on the websites of the technical organizer **www.perfecta.ba** and **www.medukacija.ba**.

Our wish is for the Congress to pass in the spirit of good mutual understanding and respect.

Welcome!

Prof. dr Zelija Velija Ašimi
President of Congress
